

For more than five decades, Homeward Bound has been a trusted leader in delivering innovative, life-enriching services to children, teens, and adults with developmental disabilities.

We specialize in supporting individuals with the most severe and complex disabilities, including those with significant medical challenges—an expertise few organizations can match.

Your financial support helps us continue this meaningful and impactful work, transforming lives and fostering independence for those we serve.

Minnesota Valley, a Seth Raynor designed masterpiece, offers a par 73 course that blends strategy, beauty, and history across 147 acres of rolling terrain overlooking the Minnesota River Valley. Recent restorations enhanced its iconic features, bunkers, and greens while adding tees to welcome all skill levels. The clubhouse renovation includes a scenic new Pub, Seth Raynor Grill, and Pro Shop. With its rich tradition and inviting culture, the “Valley” remains a premier destination for golfers and families alike.
