

Homeward Bound is a recognized leader in serving people with developmental disabilities for over 50 years. Homeward Bound's mission is providing innovative and life-enriching services to children, adolescents, and adults with disabilities.

Very few organizations like Homeward Bound have the skills and knowledge to support people with the most severe and profound disabilities and medical complications.

Homeward Bound invites your financial support for what we know to be a rewarding and worth while mission.

A beautiful "classic-styled" course of the early 1920's designed by one of this country's most renowned designers of that era, Seth Raynor.

The "Valley" is patterned after the old courses of Europe. Seth Raynor left his unique signature with the classic par 3 "Redan" and a magnificent par 4 "Biarritz" hole design. The "Valley", a par 73 with yardage that ranges from 6736 to 5207, is an enjoyable course for all skill levels.
