

#BEAUTIFYHBICAMPAIGN

## Volunteer | In-Kind Support | Fund

TOGETHER WE CAN BEAUTIFYHBI  
ONE STEP AT A TIME

Join us in creating a brighter, more beautiful future for our 22 homes serving individuals with disabilities!

Whether you contribute resources, make a financial donation, or volunteer your time, every act of support helps enhance and maintain our spaces, ensuring they remain vibrant and welcoming for years to come.

Together, we can make a lasting impact—one that transforms lives and strengthens our community.

## BeautifyHBI

### Introduction:

BeautifyHBI is an ongoing campaign launched on July 1, 2024, with the primary objective of fostering community engagement and involvement in maintaining and enhancing our 22 homes across the west metro. Our mission is to ensure they are well-maintained, accessible, and comfortable. The campaign aims to bring together community partners, volunteers, and sponsors to undertake various projects that will beautify and improve these homes.

### Objectives

- **Community Engagement:** To encourage more community involvement in maintaining and improving HBI homes.
- **Upkeep and Improvement:** To ensure continuous upkeep and enhancement of the 22 HBI homes.
- **Partnership Development:** To develop deeper relationships with community partners through collaborative projects and events.
- **Capital Fundraising:** To raise funds for critical repairs, accessibility modifications, and energy-efficient upgrades through various fundraising events and sponsorships.

### Project Scope:

Participants can take on major and minor projects including, but not limited to:

- **Landscaping Projects:** Beautifying the outdoor spaces of HBI homes.
- **Interior Renovations and Improvements:** Updating and improving interior spaces.
- **Garden Implementation and Maintenance:** Creating and maintaining gardens.
- **Critical Repairs:** Addressing urgent repair needs.
- **Accessibility Modifications:** Making homes more accessible for individuals with disabilities.
- **Energy-Efficient Upgrades:** Enhancing the energy efficiency of the homes.

### Additional Opportunities

Groups and individuals are also encouraged to organize benefit events on behalf of Homeward Bound. These events not only help raise capital funds but also foster deeper connections within the community and with our partners.

### Conclusion:

The BeautifyHBI campaign is a collaborative effort to enhance the living conditions of individuals with disabilities in our community. With the help of dedicated volunteers, community partners, and sponsors, we can achieve our mission and make a lasting impact.

**Join us in this meaningful endeavor and be a part of something extraordinary!**
